

## BioCT Annual Mixer + Special Edition Collaborative Connecticut

Become part of one of our most-attended gatherings – the annual industry networking event at **New England Brewing Company** in Branford.

The mixer draws 450+ registrants, including life science executives and state officials to the picturesque Branford waterfront.

This event is co-hosted with some of the largest affinity groups and industry supporters, including Yale Ventures.

A big hit last year, sponsored tables are back. Host a table to ensure maximum visibility and engagement with attendees.

### Table Sponsor Package – \$3,500

- Reserved exhibition table to showcase your products, services, and relevant materials to attendees
- Branding on all event and marketing signage, including:
  - + BioCT website
  - + BioCT newsletters
  - + Social media platforms
- Offer promotional giveaways at your table

Tables enable BioCT staff to direct interested attendees to you.
